The 2025 edition of NetSciX is hosted by IIT Indore India. This is the first time Network Science society event is occuring in India. IIT Indore is a prominent member of IIT network oftechical and research institutes in India and it stands as a testament to academic excellence and innovation.NetSci-X 2025 extends the popular NetSci conference series, providing a forum for academics and practitioners working in network science. Participants from interdisciplinary fields will converge to explore the latest developments in computer and information sciences, physics, mathematics, statistics, life sciences, neuroscience, environmental sciences, social sciences, finance, and business.
